

Bicycle Licence

Agreement - to be signed by pupil

By signing this licence I agree:

- 1) to cycle sensibly to and from school
- 2) to keep my bicycle in good working order
- 3) to wear a cycle helmet whenever I am riding my bicycle to and from school
- 4) to take responsibility for keeping my bicycle sensibly in the 'bike rack', preferably locked
- 5) to take care when riding – observing the rights and enjoyment of others
- 6) to follow the instructions of adults at all times e.g. dismount when told
- 7) Not to ride on the school premises – walking the bicycle sensibly

I understand that if I do not keep to this agreement this licence may be withdrawn.

Signed.....Class.....

Date.....

Parental Permission

I confirm that my child.....can cycle to and from school providing that they keep to the outlined agreement signed.

Signed.....Date.....

By signing this I accept the licence may have to be withdrawn if the agreement, or its spirit, is deliberately broken. I also accept that the school is not liable for property brought onto its premises. The school is therefore not liable for any theft, loss or damage to your child's bicycle, by a third party, whilst within the school grounds.

School endorses and highly recommends the Bikeability training offered throughout the year. Although cycling to school is not solely dependent on passing the cycle training parents understand that we recommend those cyclists without it attend as soon as practicable. School recommends children without the training are escorted to school with their parents.

Headteacher's Permission

I give consent forin class.....to cycle to and from school, providing the agreement signed is adhered to.
