

### Oxford Owl

We have recently set up class accounts to enable all children to access over 250 eBooks on a computer or tablet at home. These books allow the children to read the text themselves or listen to the audio reading. Some of the books also include comprehension activities.

Please follow the instructions below and use the login for your child's class in order to access this fantastic resource.

Type [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk) into your web browser and click on the pink 'My class login' logo in the top right hand corner. Enter the details below and then follow the on screen instructions to choose a book. The books can be chosen by age or book type.

Kestrels –	Username: kestrelsreception	Password: bird
Owls –	Username: owlsreception	Password: bird
Kingfishers –	Username: kingfishersreception	Password: bird
Hérons –	Username: herons1	Password: bird
