The Local Governing Committee (LGC) for Wyndham Park Infants' School and St Mark's C of E Junior School is committed to providing high quality education for all its pupils, based on equality of opportunity, access and outcomes. The LGC recognises the need to champion performance, for **looked after children** (LAC) and **previously looked after children** (PLAC) and is committed to improving outcomes for them.

The LGC is committed to ensuring that LAC and PLAC are supported as fully as possible and will ensure that the following are in place, and are working effectively:

1. A Designated Governor for LAC and PLAC
2. A Designated Teacher for LAC and PLAC
3. Personal Education Plans (PEPs) for all LAC
4. The Designated Teacher, as a minimum, will have two days a year for training opportunities specific to factors that impact on the attainment of LAC and PLAC.
5. All staff in school will have a clear understanding of the issues that affect LAC and PLAC; their learning needs; how to support them in school and issues relating to confidentiality.
6. Policies, procedures and strategies to promote the achievement and well-being of this vulnerable group.

THE ROLE OF THE DESIGNATED TEACHER FOR LAC AND PLAC

The Designated Teacher:

1. Is the central point of initial contact within each school. They ensure that the school plays its role to the full in making sure arrangements are joined up and minimise any disruption to a child's learning.
2. Has a leadership role in promoting the educational achievement of every LAC and PLAC on the school's roll. This involves, working with the Virtual School Head to promote the education of LAC and PLAC and promoting a whole school culture where the personalised learning needs of these children matter and their personal, emotional and academic needs are prioritised.
3. Takes lead responsibility for ensuring school staff understand the things which can affect how LAC and PLAC learn and achieve and how the whole school supports the educational achievement of these pupils.
4. Promotes the educational achievement of LAC and PLAC by contributing to the development and review of whole school policies.
5. Promotes a culture in which LAC and PLAC:
 - Are able to discuss their progress and be involved in setting their own targets, have their views taken seriously, and are supported to take responsibility for their own learning.
 - Are prioritised in any selection of pupils who would benefit from one-to-one tuition, and that they have access to academic focused study support.
 - Are encouraged to participate in school activities and in decision making within the school and the care system.
 - Believe they can succeed and aspire to further and higher education or highly skilled jobs; and can discuss difficult issues (such as SEN, bullying, attendance) in a frank manner with a sympathetic and empathetic adult.
6. Is a source of advice for teachers about: differentiated teaching strategies appropriate for individual pupils who are LAC or PLAC; and the use of Assessment for Learning (AfL) approaches to improve the short and medium term progress of LAC and PLAC, and help them and their teachers understand where they are in their learning (including any knowledge gaps), where they need to go, and how to get there.

7. Works directly with LAC and PLAC and their carers/ parents/guardians and the Parent Support Adviser (PSA) to: promote good home-school links; support progress by paying particular attention to effective communication; ensure they understand the potential value of one-to-one tuition and are equipped to engage with it at home; ensure they are aware of how the school teaches key skills such as reading and numeracy; and encourages high aspirations and working with the child to plan for their future success and fulfilment.
8. Has lead responsibility for the development and implementation of PEPs for LAC within school in partnership with others as necessary;
9. Is responsible for ensuring that the PEPs are completed within statutory timescales and a copy is returned to the Virtual School Head as outlined in the PEP guidance.
10. Works closely with the school's Designated Safeguarding Lead to ensure that any safeguarding concerns regarding LAC and PLAC are quickly and effectively responded to.
11. Is aware that the Virtual School Head provides information and advice to parents and designated teachers on meeting the needs of PLAC. The designated teacher should fully involve parents and guardians in decisions affecting their child's education, including any requests to the Virtual School Head for advice on meeting their individual needs.

ROLES AND RESPONSIBILITIES OF ALL STAFF

All staff in this school will:

1. Have high expectations of LAC and PLAC's learning and set targets to accelerate educational progress;
2. Be aware of the emotional, psychological and social effects of loss and separation (attachment awareness) from birth families and that some children may find it difficult to build relationships of trust with adults because of their experiences, and how this might affect the child's behaviour;
3. Understand how important it is to see LAC and PLAC as individuals rather than as a homogeneous group, not publicly treat them differently from their peers, and show sensitivity about who else knows about their looked-after or previously looked-after status;
4. Appreciate the central importance of the PEP in helping to create a shared understanding between teachers, carers, social workers and, most importantly, the child's own understanding of how they are being supported;
5. Have the level of understanding they need of the role of social workers, Virtual School Heads and carers, and how the function of the PEP fits into the wider care planning duties of the authority which looks after the child;
6. For PLAC, understand the importance of involving the child's parents or guardians in decisions affecting their child's education, and be a contact for parents or guardians who want advice or have concerns about their child's progress at school.

ROLE AND RESPONSIBILITY OF THE LOCAL GOVERNING COMMITTEE

The LGC of these schools will:

1. Ensure all governors are fully aware of the legal requirements and guidance for LAC and PLAC;
2. Ensure that there is a named designated teacher for LAC and PLAC;
3. Through the Designated Teacher, hold the school to account on how it supports its LAC and PLAC (including how the Pupil Premium Plus is used) and their level of progress;
4. Be aware of whether the school has LAC and PLAC and how many (no names);
5. Liaise with the Head of School (HoS) to ensure that the designated teacher is enabled to carry out her/his responsibilities in relation to LAC and PLAC;
6. Ensure the Designated Teacher is able to access training needed to fulfil their role appropriately. Most Virtual School Heads agree that, as minimum, Designated Teachers should have two days a year for training opportunities specific to factors that impact on the attainment of LAC and PLAC;
7. Support the HoS, Designated Teacher and other staff in ensuring the needs of LAC and PLAC are met;
8. Review the effective implementation of this policy, preferably annually and at least every three years.
